## **PETITIONING THE COURT**

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 01/29/2021.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number	Nature of Noncompliance
------------------	-------------------------

5

**Special Condition # 5:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** It is alleged that Mr. Estrada violated the terms of his supervised release by using methamphetamine on or about May 12, 2021.

On December 26, 2018, Jose Estrada signed his judgment for case number 1:16CR02049-SAB-1, indicating he understood all conditions ordered by the Court.

In response to Mr. Estrada failing to report for his random urinalysis on May 13, 2021, he was directed to report to the U.S. Probation Office on May 14, 2021. On May 14, 2021, Mr. Estrada provided a urinalysis that tested presumptive positive for methamphetamine, in which he denied using methamphetamine, and thus the sample was sent to the laboratory for confirmation. On May 24, 2021, the undersigned received the laboratory report for the aforementioned sample, in which it was confirmed positive for methamphetamine.

Thereafter, the undersigned spoke with Mr. Estrada, in which he then informed the undersigned he drank out of a beverage that contained methamphetamine on May 12, 2021. Mr. Estrada informed the undersigned that prior to drinking out of the aforementioned beverage he was unaware that someone had put methamphetamine in it.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
